**Subject:** Demo Permit for 120 Bulloch Ave

Cherith,

This is to request to be included in the HPCs Meeting to be heard on March 9, 2011. I would like to renew the demolition approval of 120 Bulloch Avenue.

I understand that the building cannot be demolished until new plans are submitted, and a demo permit is issued. The owner is aware of this, and has given his permission for this request.

Kind regards,

Steve Allen
