**RE: Major Design Review Application for Fellowship Christian School
Lights, Sound and Stadium Seating on Football Field.
Letter of intent, analysis**

Fellowship Christian School intends to construct a 1500 seat aluminum bleacher assembly on the current terraced bank at the football field. We also intend to erect 4 light poles at the current football field along with a sound system designed to meet the criteria set forth by the City of Roswell City Council on July 11, 2011.

Attached are the design specifications for the above improvements.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff S. Van Pelt". The signature is stylized, with a large, looped initial "J" and a long, horizontal stroke extending to the right.

Jeff S Van Pelt
