Subject: Creekview Partners Rezoning and Conditional Use Permit Applications

Jackie,

I am writing to follow up on our conversation the other day about deferring our two pending applications. It is my understanding that we are allowed only two deferrals of one month each and that the deferral may be requested via email.

As such, I would like to request our applications be deferred for one month from the upcoming planning commission agenda. Am I correct that this will move our applications to the planning commission's October calendar and then onto the Council's calendar for November?

We will be working with our engineers and hopefully have more feedback from the condo residents next week and hopefully I can meet with you the following week to discuss where we are with everything.

Please confirm back that our deferral request has been granted.

Thank you as always for your assistance.
