Re: Letter of Appeal

This is our formal letter of appeal in reference to the denial of our request for door alterations for our business, Roswell Provisions "Le Bistro", petition # HPC 201400788. We do not agree with the reasoning behind the denial and it appears on the surface to be personal opinion driving the verdict rather than actual violation of the written rule.

Property Location	953 Canton Street
Owner	Rosebriar Court Aparments
Petitioner	Lorry Kemp/Roswell Provisions
Petitioner's Request	Door alterations; Shutters on entry door
