Dear Zoning Board Members -

I am a resident of Roswell, 1090 Wilde Run Ct. I am writing you you about the above referenced item.

The property on Woodstock Road – literally right next to the entrance to the big Roswell Area Park the property owners are trying to change that zoning from residential to commercial. They want to open up basically a boarding house – they are calling it a B&B, but it's a nasty old ranch house from the 70's so it's not like it's a quaint little place for a B&B so it will be a boarding house. I don't think it's a good thing having that right smack in the middle of a residential area and as well right next to the park.

Thank you for your consideration.
