RE: Roswell Capital Improvements Element & Short Term Work Program Updates

Dear Mayor Wood:

We are pleased to inform you that the Georgia Department of Community Affairs (DCA) has determined that the Short Term Work Program (STWP) and Capital Improvements Element (CIE) updates for Roswell meet the Minimum Standards and Procedures for Local Planning (see attached letter). Roswell must adopt the CIE/STWP updates as amendment to your comprehensive plan prior to October 31st in order for DCA to extend the city's Qualified Local Government (QLG) status.

Once the CIE/STWP has been officially adopted, please send us a copy of the adoption resolution and any revisions so that we may forward this to DCA. Upon receiving notification that these updates have been adopted, DCA will extend the city's QLG status.

I commend you and the City of Roswell for your commitment to the comprehensive planning process. Please contact Jared Lombard at 404-463-3302 if you have any questions or if we can provide further assistance.

Sincerely,
