Subject: Petition for a business in my neighborhood

Mr. Townsend,

I received a notice in my mail yesterday about a bed and breakfast application in my neighborhood. I live right across the street from this home. I have a hard time getting out of my subdivision as it is and do not want this here at all. In my opinion this business is a small motel and has no place here. I object to strangers of unknown background being allowed in here for a night or so. We are near an elementary school, park, and daycare center therefore, I do not think this would be a safe business to have here. I bought here because it is zoned single family residential and it should remain so. I have been a Roswell resident since 1977 and have always enjoyed the support Roswell has given to families. This goes completely against that support. This type of business does not belong here at all! What can be done to keep it out? Thank you for your help.

Sincerely,
Debbie Crawford

Subject: Bed and Breakfast on Woodstock Road

Ms. Decibel, My name is Beth Miller and I live in Stillwater Shade right across from Roswell North Elementary. I would like to voice my opposition to the rezoning of that Residential property to Commercial. That is not the place for a Bed and Breakfast/Motel!! We have the park, a daycare, and an elementary school right there where people from who knows where would come and stay the night and then leave. That would allow people too much access to our children without knowing any back ground on them or if they are a child molester. This area is Residential and needs to remain so as this is why we bought here in the first place. That belongs on Canton Street with the rest of the Commercial Business. Thank you, Beth Miller. 160 Broadmeadow Cove. 770-645-4726
