My name is Tara Jayler. I own the property at 66 Woodstock Rd. Currently Jayler House Salon. I am zoned C2 with a condition to be a hair salon only. I am wanting to have the condition rephrased so that I may include retail. I have lost my stylists one year ago and been advertising to rent my stations. With the economy and market in this downfall, it has been difficult to continue a successful business. I am requesting that the condition to operate as only a salon be removed to incorporate retail and regain a prosperous business.

Thank you for accepting
my inquiry.

Sincerely, Tara Jayler
