Subject: Rezoning request for Etris Rd.

I am a Wexford resident (575 Bally Claire Lane) and I would like to comment on Edward Andrews Homes' rezoning request for the parcels on Etris Road (Rezoning/Variance Request RZ12-05, CV12-02.)

I ask that Roswell deny this rezoning request. I do not feel that the higher densities are in keeping with the surrounding areas. And, I am concerned about the precedent that would be set by beginning to allow these parcels to be rezoned to higher densities.

Thank you for allowing the residents to give feedback, and thank you for representing the citizens of Roswell,
Nancy Stouffer Langham
