To Whom it may concern:

As a resident of Tower Park Pl, right off of Minhinette Rd and Woodstock, I am very concerned about the possibility of townhomes being allowed on the property on Woodstock Rd that is now zoned single family. Woodstock road is very busy during rush hour and especially on Thursdays with Alive after Five. We have trouble getting out now. If this is allowed with only one driveway and 42 cars, it will be chaos for everyone. Please do not pass this variance to the Leighigh Homes so they can make it much worse for everyone who lives here.

Thank you,  
L Sokolow
