RE: Application for Wireless Facility:  
T-Mobile South LLC Wireless Facility (9AT1292D/Mountain Park)  
Located at Lake Charles Drive (adjacent to 1060 Lake Charles Drive)  
Tax Parcel 12-1570-0261-043-7

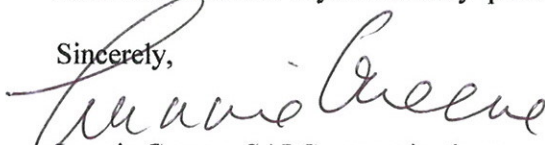

Dear Mr. Townsend:

As a supplement to the T-Mobile application for a wireless facility located at Lake Charles Drive, I respectfully submit thirty-two (32) photographic simulations of the proposed 108' tall monopine structure. As you are aware T-Mobile had a balloon test performed on March 13, 2010. These simulations are a result of that balloon test.

Also as a supplement to the above referenced application I am submitting a Property Value Study for Fulton County, Gwinnett County and Cobb County conducted by Greystone Valuation Services, Inc. dated February 17, 2010. Often property values are cited as a concern by nearby and adjacent property owners of wireless facility. Hopefully, this study will address those concerns.

Please let me know if you have any questions or comments regarding these two supplemental items.

Sincerely,

  
Lannie Greene, SAI Communications  
Agent for T-Mobile South LLC
