Analysis Requirements

REZONING APPLICATIONS: Please complete the Analysis Requirements questionnaire. Applicants are required to respond to criteria 1 through 6 pursuant to O.C.G.A. 36-67-3. Further, please complete criteria 7 through 23, as noted below.

CONCURRENT VARIANCE APPLICATIONS: Please complete the Analysis Requirements questionnaire. Applicants are required to respond to criteria 1 through 23. Complete also the Concurrent Variance Justification, questions 1 - 7 at the end of this section.

CONDITIONAL USE APPLICATIONS: Please complete the Analysis Requirements questionnaire. Applicants are required to respond to criteria 1 through 8; also 13, and 18 through 22. Criteria 9 through 12, and 14 through 17, and 23 are NOT required to be completed for a Conditional Use Application.

1. Whether the proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property.

Yes, the adjacent property is an abandoned home and within the property is an animal hospital.

2. Whether the proposal will adversely affect the existing use or usability of adjacent or nearby property.

No, removing the current conditional zoning will not adversely affect the current adjacent usage.

3. Whether the property to be affected by the proposal has a reasonable economic use as currently zoned.

No, the current conditional zoning on the property prohibits usage of the full amount of property for anything other than an animal hospital.

4. Whether the proposal will result in a use which would or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools.

No removing the condition on the zoning will not add any burden to any aspect of the area.

5. Whether the proposal is in conformity with the policy intent of the Comprehensive Plan including land use element.

yes, removing the conditional zoning will allow for better use of the property.

6. Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the proposal.

By removing the condition on the C3 conditional zoning the property can be divided and used to improve the property. Right now the property can only be used as an animal hospital.

An applicant for an amendment to the official zoning map may decline to provide any information related to criteria seven (7) through twenty-three (23) if he or she completes, signs, and notarizes the following statement:

"I do not regard the information required by the City, or any portion thereof as indicated, as necessary or relevant to the City Council in their consideration of my application for rezoning. I stipulate that such information shall not be relevant to the City Council in their deliberations or to any court in its review of the decision on my application for rezoning."
