Mr. Charles Krautler
Executive Director
Atlanta Regional Commission
40 Courtland Street, NE
Atlanta, Georgia 30303

Dear Mr. Krautler:

Our staff has reviewed the Annual Update of the Capital Improvement Element (CIE Update) for the City of Roswell and finds that it adequately addresses applicable requirements. The next step is for the local government to adopt the CIE Update. Based upon the date that your staff certified the submittal as complete, the earliest acceptable adoption date is September 6, 2009. As soon as your office provides written notice that the CIE Update has been adopted and provides DCA with a digital copy of the final adopted version of this document, we will notify the City that its Qualified Local Government status has been extended.

Our records indicate that the Service Delivery Strategy for Fulton County and its cities will expire on October 31, 2009. We recommend that you remind these jurisdictions to renew or renegotiate their Strategy prior to this date in order to remain in compliance with the Service Delivery Strategy Law.

Sincerely,

James R. Frederick, Director

Office of Planning and Quality Growth
